

CBI-Kolloquium Sommersemester 2015

- 23. April 2015** **Thermal Transport in Colloidal Crystals and Assemblies**
Prof. Markus Retsch
Universität Bayreuth
- 07. Mai 2015** **From Stimuli-Responsive Block Copolymers and Colloidal Architectures to Smart Ceramics**
Dr. Markus Gallei
TU Darmstadt
- 25. Juni 2015** **TBA**
Prof. Andreas Jupke
RWTH Aachen
- 02. Juli 2015** **Advanced materials from Nature's toolbox**
Prof. Peter Fratzl
Max Planck Institute of Colloids and Interfaces, Potsdam
- 09. Juli 2015** **Switching Transport with Polymers in Mesopores**
Prof. Annette Andrieu-Brunsen
TU Darmstadt
- 16. Juli 2015** **Nanocapsules: from fundamental research to various applications**
Prof. Katharina Landfester
Max Planck Institute for Polymer Research, Mainz
